APPLICATIONS AND NOMINATIONS ARE SOUGHT FOR A FACULTY POSITION IN THE SCHOOL OF COMPUTING. The position is targeted for the Zucker Family Graduate Education Center in Charleston, South Carolina. Scope includes rank of tenured or tenure track Associate or Assistant Professor. Senior applicants are expected to have a nationally recognized record of outstanding scholarship. The ideal candidate will have teaching and research interests in power grid cyber and physical security. Applicants with a strong background in energy analytics, IT-OT, and load and resource forecasting will also be considered. The person filling the position may also hold a joint appointment position with the Holcombe Department of Electrical and Computer Engineering at Clemson.

### 1.1 字體

Hiya! This also shows up as expected.

### 1.1.1 Subsubsection

We have not declared a `titleformat` for this heading, and so it is shown with the default font.

## 2 Second section

Repeating the success
